LEGISLATIVE COUNSEL'S DIGEST

Bill No.
as introduced, _____.
General Subject: Childcare.

Existing law establishes a system of childcare and development services, administered by the State Department of Social Services, for children from infancy to 13 years of age. Existing law requires the department to annually report to the Department of Finance and the Legislature a statewide summary identifying the estimated funding used in general childcare and development programs for infants and toddlers, and the number of preschool age children receiving part-day preschool and wraparound childcare services.

This bill would delete the requirement for that report to identify the number of preschool age children receiving part-day preschool and wraparound childcare services.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
