LEGISLATIVE COUNSEL'S DIGEST

Bill No.
as introduced, _____.
General Subject: Developmental services: family teaching homes.

Existing law, the Lanterman Developmental Disabilities Services Act, requires the State Department of Developmental Services to contract with regional centers to provide services and supports to individuals with developmental disabilities and their families. Existing law authorizes family home agencies to offer services and supports in family homes or family teaching homes, as defined. Existing law requires the department to promulgate regulations for family home agencies, family teaching homes, and family homes that include standards and requirements related to, among other things, rates of payment for family home agencies and approved family home providers.

This bill would authorize the department to establish a distinct service code and rate model for the family teaching home that is separate from the service code and rate model for the family home agency and that considers costs for housing, staffing, and census. If established by the department, the bill would require family home agencies that provide family teaching homes to use the service code and rate model for those family teaching homes.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
